London Through The Ages

This will be a busy and exciting term for all. There are many things to look forward to, both in and out of school.

This term our topic is London Through The Ages. The children will learn about the history and geography of our capital city.

We hope to visit London at least once during this term...

In English, we will link much of our work to our

We will look at the work of William Blake, his poetry and illustrations, in order to create our own works in his style.

In Design and Technology we will be investigating theatres, planning and making our own working models

In ICT we will be researching London throughout history, presenting our findings in a number of formats, including stop-frame animation.

In music we shall be singing and accompanying soul music songs.

In drama, the children will all be practising and performing an end of term show, details to follow...

In P.S.H.C.E. the children will be looking at healthy lifestyles.

Children should have their PE kit in school every day. Friday's sessions may include cross country.

HOMEWORK

- Read regularly at home
- Learn weekly spellings and complete any investigation given
- Practise times tables regularly
- The Explorers homework project has a weekly task and needs to be handed in every Friday.
- On occasions topic based homework may be given to the children or they may bring home work to finish off.

topic, along with studying some of Shakespeare's famous plays and sonnets.

In Science the children will be learning all about the body, how it works and how to keep themselves healthy.
